

THURSDAY 25TH FEBRUARY 2010

PARENT TEACHER INTERVIEWS

We have distributed a circular today regarding parent-teacher interviews which are being held on Wednesday 10th and Thursday 11th March 2010. Please return your requested times for interviews by **Wednesday 3rd March 2010**. This will allow the teachers to confirm your appointments all in advance of the meetings.

KS 2 CROSS COUNTRY

Our children in the Year 3 to Year 6 classes participated in the Key Stage 2 Cross Country and we wish to congratulate all of them for successfully completing the event. Also many thanks to the PTC for providing the snacks and drinks.

FOBISSEA GAMES AND YEAR 2 SAT'S PARENTS MEETING

After school yesterday, we had over a 100 parents in total attending the above separate meetings. This shows the interest and support you give to the School as well as your child towards the events and activities organized for them. This partnership we value highly.

SCIPS ATHELETICS TEAM

Tomorrow, 24 children from our Y3 to Y6 classes will travel to Kuala Lumpur and represent our School at the ISAKL Athletics Competition. We wish to thank Ms Dyke, Mr Griffiths and Mr & Mrs Masaka for sacrificing their long weekend in providing the children with the opportunity to compete against other International Schools.

SCHOOL CLOSED – PUBLIC HOLIDAY

The school is closed tomorrow as it is Prophet Muhammed's birthday. We are open again on Monday 1st March.

CIRCUS COMES TO Y1

The Year 1 children thoroughly enjoyed the 'Circus' entry point on Tuesday. The Year 1 teachers and children would like to say a HUGE thank you to all of the parents who helped to plan and prepare this event.

EUREKA – IT'S SCIENCE WEEK

SCIPS will be enjoying a whole school Science week from 1st –5th March which will involve many exciting hands-on activities designed to excite curiosity and interest in our students. Events include:-

Key Stage One and Early Years:

- Using rhymes and stories as starting point for investigations.
- Practical activities for investigation, like bubble making . The Y1 and Y2 plant, challenge, water pouring and many more
- Displays of children's work
- Photographs of the children in action
- Challenges for home that can be brought to school
- Model making
- Certificate for participation

Key Stage Two

- Whizz-bang introductory assembly
- Individual and group science projects
- Year group investigations and hands-on activities using ICT and other resources
- Science competition
- Prize-giving for winners

Please do support Eureka week by encouraging your child at home with their projects. Parents will be able to see all our science display work up close at Parents' Evenings on 11th and 12th March!
