Dear Parents,

SCHOOL FEES

The Board has made the strategic decision, to align the school fees review with the staff salary and benefit reviews. The staff salary and benefits review is done once every 2 years. The next staff salary and benefits review is scheduled for early next year for implementation with effect 1 September 2011. During this transition year the Board has decided to keep the fee structure for 2010/2011 at the same level of the 2009/2010 academic year.

With this decision this will be the fourth year whereby the school has not increased its school fees.

Yours sincerely,

John Gwyn Jones
