

FRIDAY 22ND JANUARY 2010

HEALTHY FOOD

We encourage parents to provide children with healthy snacks and lunches. We have observed that some children are not only bringing sweets but are sharing these (are even swapping them for healthier snacks) with their peers. This is not encouraged. Please support us in not providing your child with sweets.

YEAR 3 CULTURAL EXCHANGE WITH THE JAPANESE SCHOOL

On Monday, our Year 3 classes will participate in a cultural exchange with their peers and friends from the Japanese school. The activities this year will be held at the Penang Sports Club from 9.00a.m to 11.30 a.m.

APPOINTING NEW TEACHERS

Unfortunately, due to personal circumstances, Simon and Sarah Thorpe have withdrawn from their appointment to SCIPS for September.

Over the coming weeks, we have several applicants visiting our school.

- Mr John Hinde (22nd to 25th Jan) for Head of Juniors
- Ms Kelly Luby (26th to 29th Jan) for KS2 teaching post.
- Mr Chris Woodham & Ms Hannah Parker (28th to 29th Jan) for KS2 teaching post.
- Ms Debbie Jones (1st and 2nd Feb) for Head of Juniors

Mr Jones will also be visiting applicants in their schools in the U.K when he returns from the 8th to 14th February.

PHOTOGRAPHER

Next week is photograph week. Parents have been notified of their child's class photograph day, so please try to ensure they are in school on that day and, of course, looking their best.

PARENTAL SUPPORT

We are always grateful for the support parents give the school. The number of parents who give their time to help with children's reading is absolutely fantastic. Parents helping with our new library software is also wonderful, so we wish to acknowledge and thank all the parents for being so supportive and active in further enhancing the partnership between home and school.
