SOCCER....SOCCER.....SOCCER

Our Year 4 boys travel down to Kuala Lumpur today to play in the ISAKL Year 4 Soccer tournament against all the Schools in K.L. We would like to wish them every success and a great time. Thanks to Ms Dyke and Mr Harding for giving up their weekend for our children.

TEACHING APPOINTMENT

This week, we finalized our last teaching appointment by offering Kathryn Bruinsma. She is a Canadian citizen who qualified and taught in the UK and has been appointed to our Key Stage 2 team. She is currently teaching part time at Uplands School. Parents will be informed of their child(ren)'s next year's teacher towards the end of the term. Sadly, Mrs Joyce our Infants music teacher will be leaving us at the end of this School year. She has secured a music teaching position at Dalat School.

TESTING

Our Year 1 to Year 5 classes start their testing next week. We are very confident that the children will enjoy success in what they will achieve in their tests.

FOBISSEA GAMES

Next Friday 14th May, our team of 36 children and 6 teachers depart for Kuala Lumpur for the 'B' Group Primary Games. Final information on kit lists, what to pack, rooming lists etc, will be circulated to their parents next Monday.

EARLY YEARS SPORTS DAY

Our Nursery and Reception children had a wonderful sports day at the Penang Sports Club this Wednesday. They were all so proud to have won a gold medal. Thanks to Ms Dyke, Mr Kenny and Mr Yang along with the teachers and assistants for their excellent organization. Ms Martinez, our Head of Infants, was very proud of her team. It was great to see so many parents come along to support their children.

HEALTH AND SAFETY

A few issues to create an awareness this week. We have no more cases of H1N1 (good news). We do however, have a few cases of headlice. Over the weekend can you thoroughly check your children's hair, and if you detect headlice, do treat appropriately. Please inform your child's class teacher. Any girls with long hair, should wear headbands.

TRAFFIC

Could parents / drivers that access the School to collect / drop off their children please give way to pedestrians wanting to cross the road. It's sometimes is hard to believe that cars will not stop to allow our children to cross the roads!

We also want to alert you to the necessity for children to wear seat belts in both the front and back seats of your cars.
