

**FRIDAY 11<sup>th</sup> JUNE 2010**

## **NEW BUILDING PROJECT**

As you can see, our three storey 18 classroom teaching block has reached the roofing stage, and internal work has already commenced.

Following the decision to relocate the sub-station from the playing area to the front entrance of the school (next to the office), the contractor will very soon hoard up this area, which will slightly disrupt staff parking as well as cause some congestion of traffic in and out of the school, but we will manage this as best we can.

## **ENROLMENT**

The following year groups are confirmed **FULL** for the start of the next Academic Year ( we re-open on the 25<sup>th</sup> August) – Nursery; Reception, Year 1, Year 2 , Year 3. Year 4 to Year 6 have limited places available. We predict opening the new school year with an enrolment of between 540 and 550 children.
