## Principal's eNews

Term 3 Issue 5 | 23rd June 2017

Dear Parents,

Over the past few days, the PE Team have been running our Annual Sports Days. I would like to thank them for these events which takes time and effort to organise and set up. Also all teaching staff are involved as they run the different stations, checking timings and recording scores.

This year a new system involving the children selecting their field events was tried in Year 3 and 4 as well as in Year 5 and 6. The result was a smoother event and meant that the students were busy all the time earning points for their houses. Well done to all the students.

### Teacher Allocation and Class Lists 2017/18

Teacher allocation and class list for next year are being finalised and will be sent out on Friday 30th June. Reception, Year 2 and Year 4 will be mixed up to ensure that the classes remain balanced with regards ability, gender and nationality. When mixing up the year groups, friendship is an important factor and the children are asked to identify those who they would like to be in the same class.

### Hari Raya Celebrations

In past years, Hari Raya has fallen during the school holidays, and I am pleased that we are able to celebrate this year on Wednesday, 28th June.

To mark this special celebration day, the children will be welcoming and hosting their buddy classes, sharing food and entertaining their guests. Children will be able to wear traditional Malaysian dress or smart clothes. If your child has PE on this day, kit should be brought to school in a bag.

We would also like all children to bring in some food to share with their buddy class. If each child brings one or two small items to share with their friends, there will be plenty to food. The children will not need to bring in a snack for this day. If preparing a dish at home, please put a label on it with key ingredients so we can inform children with allergies.

### Messages from the PTC

This year the format has been changed and you will be able to buy food and drink from vendors or BYO (bring your own).

There will still be plenty of games, activities and entertainment for everyone to enjoy. So come along and celebrate another wonderful year at SCIPS.

### Holiday Programme

Please see the school notice board (outside the Parent Room) for details of this summer's holiday programme.

Enjoy the Long Weekend  
Martin Towse
