

ST CHRISTOPHER'S INTERNATIONAL PRIMARY SCHOOL

Principal's eNews Term 2 Issue 1 | 19th January 2018

Dear Parents,

Happy New and Welcome back to school. We kicked off the year with a record number of Year 3 - Year 6 students, (120+) trying out for the FOBISIA sports teams. This is an amazing achievement and wonderful that so many of our students want to represent the school and themselves in sports.

Year 4 and 5 students have been excited as they prepare for their residential trips next week. Thank you to the class teachers as well as Ms Oona and Mr Lamb for the organisation of such wonderful trips. It was great to see so many parents at the residential meetings and don't forget that you can follow their adventures through our twitter feed.

Personal Goals

The school adopted the International Primary Curriculum in 2005 and it included Personal Goals which underpin the individual qualities and dispositions they believe children will find essential in the 21st century.

For many years teachers have found it challenging to articulate some of the goals and so as a staff, we reviewed these goals and identified which ones relate to Learning, which relate to Behaviour and which can be both. In addition we discussed if there were any qualities that may be missing and if the wording used was appropriate and easy to access by the students.

From these discussions we identified the goals that we believe are essential for the children, both Learning and Behaviour and articulated them into understandable language for them. Here are the new Personal Goals

Calendar Dates

30th January

Students Depart 12.45 | School Closes @ 2.00pm | ASA Cancelled

31st January

PH | [Thaipusam](#)

(School Closed)

7th February

CNY Celebrations

8.00am

Enjoy your weekend
