

# ST CHRISTOPHER'S INTERNATIONAL PRIMARY SCHOOL

## Principal's eNews

Term 2 Issue 3 | 2nd March 2018

Dear Parents,

I have just wished 96 Year 3 - Year 6 students good luck as they set off to the Sports Weekend held today at POWIIS and tomorrow at Uplands. It is truly amazing to see so many students eager, excited and motivated to compete for the school. To be able to field so many teams is a real success for the school. My thanks goes to all the PE staff and class teachers who have and will continue to training, coach and support our young athletes.

### Parent Workshops

Thank you to all the parents who attended the Wednesday morning workshops. We have covered Phonics, Mathematics and recently Internet Safety and Awareness and Healthy Eating. We would like to run more of these type of sessions and so invite parents to let us know what topics we should cover.

### St Christopher's 55th AGM

On Wednesday the school held its 55th Annual General Meeting (AGM) in the school hall. I would like to thank all the Governors for their continual support, guidance and advice as well as thank all the parents who attended and contributed to the meeting.

### Y6 Playleaders

Some of our Y6 House Captains have been training to become Playleaders, and this week they took to the field and were running games for our younger children. Thank you to Mr McRae for his time and effort in developing these students so that they can give back to the school.

### New Teachers come into School

Last week we welcomed our new teachers in to the school for their Look and See visit. These teachers have been recruited and will join the school later this year in August. However by bring them over for a week, we are able to start their induction. They spent the week meeting the children and staff, teaching and observing lessons, learning about the school and seeing Penang. Very few International schools utilise a Look and See Visit, but we find it invaluable and I know that new staff appreciate the opportunity to make connections and understand more about where they will be living and working.

### Parent Teacher Conferencing

We will be holding our Term 2 Parent Teacher Conferences on Tuesday 13th - Thursday 15th and you should have received an email regarding the online booking system. This system will allow you to book your own interviews from your computer, tablet or mobile phone. The system will open on Friday, 2nd March at 12:00pm and close on Wednesday, 7th March at 12:00pm

Enjoy your weekend

Martin Towse
