Term 2 Issue 4 | 23rd March 2018

Dear Parents,

We have sprinted to the finish of this term, with an amazing amount, and range of events in the final two weeks. From the large scale whole school events to the smaller class trips, each has required preparation and planning from the staff. These events have included the School Disco, Parent Teacher Conferences, Y3 Concert 'Shackleton's Journey', Junior Cross Country races, Y3 and Y4 Swimming Galas, EY Sports Day as well as our FOBISIA Maths team competing in Vietnam. In addition, every year group has held one or two Exit Points, showcasing the vast amount of positive learning experiences that has taken place through out this term.

I congratulate and thank all the staff at the school for making sure that these events run smoothly and focus on the children and their learning. I also would like to thank all the parents for supporting their children through preparing items at home to bring in as well as attending the different events. It means so much to them and us.

Please take the time to look at our Twitter and Facebook pages for details of all the events.
