Principal's eNews

Term 1 Issue 1 | 31st August 2018

Dear Parents,

It is a pleasure to write to you after the first two weeks of school. These weeks have been busy settling the children into their new classrooms and routines.

Already we have held Welcome Back assemblies, where all our new children and staff were introduced and some of the key events of this term were announced. On Wednesday, we held our Welcome and Information evening and thank you to all the parents who attended. Please do contact your child's teacher if you are not sure about anything related to your child's education.

Last Friday, the Junior children (Yr3 - 6) participated in the House Sports Carnival. The children were involved in fun activities and competed in mixed aged teams against the other houses. Well done to all the children and thank you to our hard working PE team and teachers for setting up and running the event.

Last week, Year 6 children applied to become school prefects and as well as completing an application form, they attended an interview. Well done to all those who applied and congratulations to those who were appointed. Next week, we will be selecting House captains and Librarians.

Finally, Green house enjoyed a treat for winning the most house points at the end of Term 3, last year. Food and Fun were the main ingredients, with both children and staff spending an afternoon together away from the classroom and this year making dens in the Kampung Playground.

A reminder that details of the events held in school can be found on our Twitter and Facebook pages.

Uniform

Please can I remind all parents that black shoes are to be worn with the school uniform and trainers are to be worn for PE and Sports events.

At the end of last year, there was a mountain of lost property, particularly water bottles, that were not claimed. Please can I ask that you place your child's name in all items of school uniform, including hats, water bottles and bags. This will help make returning items easier.

After School Activities

A reminder that the ASA programme starts next week and these can be paid for in the school office.

Class Parents

Thank you to those parents who have volunteered to be class parents. This key role supports the teachers with communication and class activities. Whatsapp is the simple and effective way to communicate by setting up a class chat group. To do this we will pass on your mobile numbers to the class parent. However if you do not wish to be involved, please let your teacher know and your contact details will not be shared.

Key Dates Term 1

Recently, I sent out a Key Dates document, detailing all the important events throughout this term. This document is on the school notice board as well as the website. <http://www.scips.org.my/school-life/news-and-events/>

Selamat Hari Merdeka and enjoy the long weekend

Martin Towse
