

# ST CHRISTOPHER'S INTERNATIONAL PRIMARY SCHOOL

## Principal's eNews

Term 1 Issue 2 | 30th Sept 2018

Dear Parents,

It was great to have a full week in school last week, after the numerous days off in this month. The vibe around the school is purposeful and positive, with lots of great learning taking place. Look out for the new regular learning updates on Twitter and Facebook from the Heads of School. These posts will focus more on the learning experiences and opportunities that your child encounters during their day.

As we hopeful move out of the recent rainy period, it is noticeably hotter during the day. We have been actively encouraging the children to wear their hats for PE and at break and lunch times, and the majority are now wearing them. Please ensure your child has a cap and brings it to school. In addition, it is very important that they have a water bottle and drink regularly. Please ensure your child's name is written on both the hat and the bottle.

### SCIPS APP

We have been using Twitter now for 3 years and it has enabled us to report directly to parents, what is happening in school or on trips, as well as send out important messages.

One problem with Twitter is that parents receive all the tweets and messages we send. However many may not be relevant to you as they do not involve your child. To ensure that you receive the messages and tweets that are important to you, we will be launching a new SCIPS App after half term.

This App will enable you to choose which tweets and messages you want to receive, give you access to the online school calendar, as well as translate these messages into many different languages. More features will be used once we have launched.

### Parent Questionnaire

It has been a while since the school has sent out a questionnaire asking parents for their feedback. Rather than send it out at the end of the school year, it will be sent out after half term, so that feedback received can be acted on in this current academic year.

### Message from the Parent Teacher Committee (PTC)

On Wednesday 3rd October at 8.15am the PTC will be meeting to discuss the organisation and preparation for their next event, a Halloween Disco to be held on Friday 26th October 6.00pm - 8.00pm. If any parent would like to help with this event, please come along or contact Nadia (nadiaibis@hotmail.com )

Enjoy your Weekend,  
Martin Towse
