Term 2 Issue 1 | 7th January 2018

Dear Parents

Happy New Year and we look forward to welcoming everyone back to school on Tuesday 8th January.

### Santa's Visit

I would like to thank the Parent Committee for organising another wonderful day. Everyone had a lot of fun meeting Santa, working with their buddy class and it was the perfect way to finish off the term. Thank you also to all parents who came along to support and for providing food for the class parties.

### Parent Questionnaire

Thank you to all the parents who have responded to the questionnaire sent out last term. We will now work through the feedback and I will write up a summary which will be shared with the governors and school community.

### Library and ICT Suite

We are delighted to announce the opening of both our library and ICT suite after school. Both these spaces will be open from 1500-1600 every Tuesday and Friday. You are free to use these times to browse and take out books, complete home learning or even for general research purposes. You may go by yourself or take your children in with you, but please make sure children are accompanied at all times. We hope this is a helpful resource, to foster an even greater SCIPS community.
