

# ST CHRISTOPHER'S INTERNATIONAL PRIMARY SCHOOL

## Principal's eNews

Term 3 Issue 3 | 26th May 2019

Dear Parents,

On behalf of all the staff at SCIPS, I would like to thank all the parents who contributed to the tasty foods that were given in for the Staff Appreciation Lunch. It means a lot to us, and we would like you to know that the appreciation goes both ways - so thanks once again for all of your support and for making every member of the SCIPS staff feel so special.

### School Photographs

I am pleased to announce that this year's school photographs will be ready for you to order early next week. Similar to last year, ordering is carried out online with the option of having the pictures in digital or hard format. Instructions will be sent out shortly.

### FOBISIA Sports Teams

Congratulations to our Year 5 and 6 students who went to Phuket last week to compete in the 2019 FOBISIA Games. On this occasion, SCIPS were competing in a tough group and up against much larger schools.

We are all incredibly proud of the teams' achievements. Not only were they successful on the sports field, but they were incredibly humble, well mannered, and gracious towards the organisers, visiting coaches, and the other participants. A big thank you to our PE Team, Coaches and Parent Supporters who cheered, celebrated, commiserated and supported all the children throughout the event.

### Holiday Programme

The school will be running a two week Holiday Programme from 8th - 19th July. Please see the attached flyer and school notice board (outside the Parent Room) for details of this summer's programme.

### Public Holiday Announcement

The school will close on Wednesday 5th and Thursday 6th June for Hari Raya.

### Message From the PTC

We want to thank you all for your support with the Staff Appreciation Lunch. Your help with coordination and communication was vital in making the event another success. Thank you to all the class parents for their help in organising dishes.

The FFF is our main event of the school calendar and provides the funds that enable us to put on all the other events throughout the year for the children and the school community. It is a fantastic opportunity for the whole school community to come together at the end of a wonderful year.

This year we will look to organise food table under countries and would really like to have as many countries represented as possible. We request parents to pledge support for their own country.

And after the success last year, we will again be holding a Table Top Sale and tables can be reserved in the school office.

Enjoy your weekend  
Martin Towse
