Term 3 Issue 3 | 24th May 2020

Dear Parents,

With the easing of the restrictions for the Movement Control Order, I have been able to go into school along with a number of Administration staff. Unfortunately, it is still unclear as to when and if the school will be able to open up before the end of the term.

The government have reiterated that we will be given two weeks prior notice, as to when students will be able to return, but it is unclear as to which year groups, would be permitted. As soon as we have been informed, we will communicate with the school community.

Reports

Teachers are currently writing the Term 3 Summary Reports, but this year they will be in a slightly different format due to the long period of home learning. So, along with the normal summary from specialist subjects, commenting on learning throughout the whole year, there will also be a Home Learning comment referencing attitude and engagement during this time, Reports will be sent out to Parents on Friday 19th June.

SCIPS Got Talent

This year we have opened up our SCIPS Got Talent competition to the whole school, Nursery through to Year 6. We will be hosting online meets to share the entries, and vote on the year group winners on Friday 29th May. Times for these meets will be flexibuzzed and placed on the google classroom

Half Term Pause

The school will be closed on Monday 25th - Wednesday 27th May and includes Hari Raya

Thursday 28th and Friday 29th May

Following the Half Term Pause, there will be a change in the daily lessons for Thursday and Friday. This is due to work not being set over the Pause and there will be no focused academic conferencing. The children will still have plenty of activities and learning to follow and these will be posted on the classroom and the different year group schedules will be flexibuzzed.

New Public Holiday

The school will be closed on Monday 8th June, to mark the King's birthday.

Stay Safe - Stay Positive - Stay Connected

Enjoy your long weekend
