

ST CHRISTOPHER'S INTERNATIONAL PRIMARY SCHOOL

Principal's eNews Term 2 Issue 6 | 9th April 2022

Dear Parents,

Although this term has had its challenges, it has been wonderful to see the majority of the children back in school. In particular, in this final week, there have been no classes away from school, and it felt like things were finally returning to normal.

I would like to thank all parents for your continued support with the transition back to school, and your resilience and flexibility when dealing with the disruption caused by cases in the community. I understand that these can be challenging, especially when dealing with quick changes; however, please know that we are doing our best to protect your children in line with the MOE instructions. I am still waiting for guidelines from the MOE regarding any changes to the SOPs and will let you know when we get them and if/how this will affect the school moving forwards.

In Term 3, I hope to be able to schedule swimming and sports events, and even have parents back on the campus to reconnect with their child's learning and the school community.

School Photographs

These will take place from Tuesday 17th - Thursday 19th May. A schedule will be sent out so you know which day your child has their individual and class photography. There will also be opportunities for siblings to have photographs together.

After School Activities (ASA)

The resuming of the ASA programme was a great success, and details for next term offerings will be updated shortly on the website. The good news for next term is that we can include outside providers who the Ministry of Education has approved. For the safety of the children, we will continue to run the programme in year group bubbles.

COVID Frequently Asked Questions (FAQ)

To support you with some of the questions you may have surrounding COVID 19 procedures and operations at school, we have created a document called COVID Support Page - FAQ. Here is the link, [FAQ - COVID 19](#)

I hope that you have a happy holiday and can spend the time connecting with family and friends. It has been an emotional term for everyone, so please find time to have a good rest. I look forward to welcoming the children back for Term 3 on Wednesday 20th April. Happy Easter to those celebrating too.

Martin Towse
