## Principal's eNews

Term 3 Issue 4 | 2nd July 2023

Dear Parents,

The last few weeks have felt like the SCIPS we all know, with so many year groups holding their exit points or showcasing the children's learning throughout the year. Being able to welcome parents onsite and for the children to once again perform or show you what they have been doing has been fantastic.

I am currently planning the Calendar for 2022/23, and it was so lovely to be able to schedule all the residentials, sports events, discos and subject days as these will revive the school and help us reconnect as a community. Hooray!!!

Please remember to sign up for [Skoolbag](#), as it is the simplest way for us to connect with you and our community. In addition, we are now posting a lot more on our [Facebook](#) page, so please take a look.

### Leaving Staff

At the end of the academic year, as well as students, a few staff will also be leaving the school. We say farewell to Sam Hird, Alice Morgan, Lily Milrose-Barry, Jonathan Cannon, Jasmine Cheong, Samantha Khoo, Ms Sabine, Mr Ravi and Ms Mala and Mr Rama.

We thank them for their fantastic care and support for the children, as well as their hard work and dedication to ensuring that the school is a positive and caring learning environment. We wish them all success in their next challenge and adventures.

### Class Parents,

I want to acknowledge the fantastic work of the class parents, who support our teachers in many ways, especially with communication and reminders. We thank them for the time and effort they give in this voluntary role. It is very much appreciated by us all.

### Parent Questionnaire

As we begin planning for the 2022/23 Academic year, I would like your feedback on a number of key elements of the school operation. Your view is very much valued, so I invite you to complete a short questionnaire which will be emailed to you next week.

The purpose of this questionnaire is;

1. To have feedback on how the school has performed over the past two years.
2. To find out what you would like St.Christopher's to provide for your child in the future.
3. To support the decision-making process as we RESET, RECONNECT and REVIVE the school.

Finally, farewell to those leaving the school and our community over the summer break. To those returning, I look forward to welcoming you back to school in August.

Enjoy your weekend
