STARRY STARRY NIGHT

SCIPS Art Exhibition 2015 - 22nd to 27th of June 2015

This year the SCIPS Art Exhibition will be open to all classes and year groups in the school. Every child is encouraged to develop their own interpretation of Vincent van Gogh's iconic Starry Starry Night.

Students will determine their selling price, ranging from RM10 to RM50. Proceeds from the sale of art will go into the SCIPS Events

fund, which is managed by the school.

Size: A3

Medium: any medium

If the artwork is 3D or a sculpture, the child must provide their own easel or stand to display the art. Displays are only available for 2D art.

Closing date: 15th of June 2015 - please hand in all entries to

the class teacher, labeled with the Student's Name, Class and Selling Price.

Outstanding pieces are art will receive a Certificate of Excellence from the Principal.

Sale of the art will be held during the SCIPS Food and Fun Festival, in the school hall. However, if a piece of art is very popular and many

have expressed interest, bids may be placed on it. The highest bid wins!

So come along and submit your interpretation of a night sky filled with stars. Astound the school community with your artistic prowess and vision. If our judges are impressed, you could receive a Certificate of Excellence from Mr. Towse!
