Term 1 Issue 3 | 24th September 2022

Dear Parents,

It was brilliant to see over 70 parents turn up for the Math@ SCIPS Workshop on Wednesday. Clearly a subject that lots of you want to know more about. In response to such high numbers, we will be putting on more Math workshops that are specific to the different ages in the school.

This week over 100 children came along to either the Infant or Junior Choirs. These choirs will practice during lunchtime, and I look forward to seeing and hearing them perform later in the term.

On Thursday we finally managed to hold a Fire Alarm practice, after so many were postponed due to the weather. This practice is important for us all to know what to do in an emergency. All went smoothly and the children were very mature in their behaviour as they evacuated the classrooms and mustered at the front and back of the school.

Term 1 Report

Teachers have begun to write the Term 1 reports for Years 1 - Year 7. These reports will let you know how your child has settled into their classes and highlight successes as well as any concerns. Term 1 Reports will be sent out on Friday 14th October and Parent Teacher Conferences will take place on Tuesday 18th and Wednesday 19th October.

Parent Workshops - All workshops start at 8.15 am and are held in the Hall.

Federation of British International Schools In Asia (FOBISIA)

FOBISIA is a regional federation of the leading British international schools in Asia and St Christopher's have been an active member of this group for over 20 years. Our students and teachers have benefitted from the numerous events, conferences and workshops they organise. It is great that FOBISIA has resumed face to face alongside their online events, and so our students and teachers will definitely be involved. Here is there latest newsletter - [September 2022 School Newsletter](#)
