Dear Parents,

Gong Xi Fa Cai and Happy Chinese New Year to one and all!

Our traditional Chinese New Year celebration once again enabled everyone to welcome in the Year of the Snake. It was made special by the Hong Guan Sports Gymnasium entertaining us all with a drumming show, along with their athletic Lion and Dragon dances. It was also wonderful to see so many parents in attendance, and your continued support of the school is always appreciated. On behalf of all the staff, we wish you a prosperous and joyful year.

Annual General Meeting (AGM)

On Monday, the governors held the **62nd AGM**, and I am pleased to report that, in accordance with Article 43 of the Articles of Association, the governors who retired were re-elected. This means that the Board of Governors remains strong, stable, and committed to ensuring the school's success in the years to come.

60th Anniversary Celebrations

I am thrilled to announce that the school will mark its 60th Anniversary with a special week of in-school activities for the children from Monday 24th to Friday 28th February.

Throughout the week, students will participate in exciting activities that explore the school's six decades of history and how life has evolved over this time.

To mark this momentous occasion, we'll end the week with a following school community event. All Parents and children are warmly invited to join me for an evening of food, fun, laughter, and special performances by the children.
