

## Principal's eNews

Term 2 Issue 4 | 28th March 2025

Dear Parents,

As we end another vibrant and fulfilling term, I'm delighted to share a snapshot of the incredible learning experiences and joyful moments our children have had. We celebrate these highlights each term with our SCIPS Events video—a wonderful way to reflect on our school community's energy, enthusiasm, and growth.

This term has been nothing short of exceptional. Our students have shone brightly in every arena, from exciting residential for three of the year groups to outstanding performances at the U13 FOBISIA and KTJ Games. We've taken part in the AIMS Maths Competition, dazzled at the Penang Performing Arts Carnival, and celebrated the talents of our Young Musicians of the Year. The spirit of our Chinese New Year celebration filled the school with colour and joy, while our Year 3 to Year 8 Cross Country showcased determination and teamwork.

We were also privileged to welcome author and eco-journalist Sarah Roberts, whose visit inspired thoughtful conversations about the environment. Learning beyond the classroom has flourished, with trips to Georgetown, Country Stables, and Beach Clean-ups all enriching the children's experiences.

Notable highlights this term included our unforgettable 60th Anniversary Celebration and the dazzling "Dancing Through the Decades" event. We also introduced new initiatives such as our first Model United Nations Conference, the FOBISIA U13 Table Tennis Tournament, and a joyful Parent Picnic, all bringing fresh energy and connection to our school life.

Each opportunity has allowed our children to deepen their learning, apply their skills in meaningful ways, and create memories that will stay with them for many years.

I am proud to lead a school where such enriching experiences are possible, supported by an exceptional team of dedicated, caring, and hardworking staff. At SCIPS, the children's learning and well-being remain at the heart of everything we do.

### Parent SWOT Questionnaire

Thank you for your continued support and as always your feedback is very much valued. This year the school is carrying out a SWOT Analysis, which identifies the Strengths, Weaknesses, Opportunities and Threats concerning the school. This information will help with strategic planning and the will be added to the responses of the Staff and Governors. Thank you for your time and the information you provide. ### Key Dates T3 2022/23

To help you know when key events happen at school, we have created [Key Dates T3 2024/25](#), You can also visit the website for our [Parent Calendar](#).

### Start of Term 3

Please note that the school will be closed from Monday 31st March to Friday 11th April. School reopens for Term 3 on **Tuesday 15th April**.

Selemat Hari Raya and enjoy the holiday.
